## SECTION SH - SHORTHORN AND POLLED SHORTHORN PACE SHOW

"The American Shorthorn Association (ASA), 8288 Hascall Street, Omaha, NE 68124, will pay open show exhibitors an additional 20% of each individual premium paid by the Fair/Expo amounting to \$10.00 or more. No exhibitor will be paid more than two premiums in an individual class, and the Association does not pay additional premiums in the championship classes. The ASA's share of premiums will be handled as account credits directly from their office in Omaha, Nebraska."

The Dept-Section-Class number must be listed for for each female or bull you wish to enter. For example, list the female's Dept-Section-Class number 5 times if you are entering 5 females. Be sure to enter group classes by listing that corresponding class number.

Female classes will show first, beginning with the youngest heifer classes. Individuals will enter the show ring according to age, with the youngest entering first. Only 2 placings can be won in the individual classes and 1 in the group classes by any exhibitor.

### **SPECIAL TERMS AND CONDITIONS:**

SENIOR/JUNIOR YEARLING PREGNANCY RULE FOR EXHIBITORS AT ALL OPEN SHOWS.

Any senior/junior yearling female 28 months of age or older on or before the date of the PACE show must have a natural calf at side and must be shown with such. All females 20 months of age on or before the date of the PACE show must have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the PACE show. Exhibitors may be asked to present said verification upon the request of the show officials or ASA representatives. If verification can not be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to the disqualification of that animal for that specific PACE show.

**IMPORTANT:** Each of the following classes **MAY** be broken into multiple classes to accommodate large numbers of entries, but separate classes **may NOT** be combined into one. For example, there **MAY** be four "Junior Heifer Calf" classes, but there **may NOT** be one single "Spring Heifer Calf" class (combining Late and Early Spring calves.)

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year. Premium participation is based on previous year number of head shown.

### ANGUS PREMIUM PARTICIPATION SCHEDULE

76-100 head	\$425 lump sum
101-150 head	\$500 lump sum
151-200 head	\$600 lump sum
201 or more head	\$700 lump sum

(Cow, cow/calf and bull classes are counted)

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the association's portion of premiums. The association does not pay on championship, or any group classes (ie. get-of-sire, junior get-of-sire or breeder six-head classes.)

**Exhibitors must have the original registration certificate on each animal available for inspection at the show. Electronically stored registration certificates are NOT accepted - only the original certificates issued by the American Angus Association.**

Any animal upon check-in which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and re-checked at the show.

Any female shown with a calf at side, the calf must be the cow's most recent natural calf and the calf must be registered, by show date and have the original registration certificate at check-in.

Only one person at a time shall lead animals into the show ring.

*Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-811. These rules can be found at [www.angus.org](http://www.angus.org).*

Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animals exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred. Any class with 11 or more animals may be broken into 2 groups.
